

According to the Academic Cooperation Protocol between Cornell and Hacettepe Universities, the first academic activity was conducted in January 14 and 15 2013 in Hacettepe Medical School. The interactive live distance learning program named 'Evidence Based Medicine' took place with 12 academicians from Hacettepe Medical School as participants, and Prof. Madelon Finkel ve Helen-Ann Brown Epstein' as speakers from Cornell University. The program was organised and chaired by Prof. Dr. Lale Tokgözoğlu who is the Coordinator for relations with Cornell University.
