Re: ICC elections 2014

Dear Prof. Tuncer,

We have the honour to inform you that Prof. Hamit Köksel from the Food Engineering Department of the Hacettepe University has been elected by the ICC General Assembly as ICC President elect 2015 – 2016 and following ICC President 2017 – 2018.

We are confident that Prof. Köksel will make an excellent President and will bring new ideas to the role.

Hacettepe University has been the official ICC member organization from 2002 until to date and Prof. Köksel serves as National Delegate of Turkey in our Association.

Furthermore we appreciate that Turkey will be the host for the 15th ICC Cereal and Bread Congress taking place in Istanbul from 17-21 April 2016.

We look forward to a fruitful collaboration!

Yours sincerely,

Roland Poms
